SDG 8: promoting inclusive and sustainable economic growth, full and productive employment and decent work for all.

SDG 8

- **Target 8.3:** Promote development-oriented policies that support productive activities, **decent job creation**, entrepreneurship, creativity and innovation, and encourage the formalization and growth of micro-, small- and medium-sized enterprises, including through access to financial services
- **Target 8.5:** *By 2030, achieve full and productive employment and **decent work for all women and men**, including for young people and persons with disabilities, and **equal pay for work of equal value***

SDG as integrated network

Thomas Minder Initiative 2013

- Shareholders should vote on compensation of directors, senior management and advisory board and give approval at general meeting of shareholders to prevent abusive rent seeking
- 67.9% of Swiss population voted yes
- No massive closures of companies after the vote (fear tactic of opposition)

Living Wage Initiative

- **Shareholders should vote on whether their company should keep employees in conditions below Living Wage (working poor)**
