

Seminar & Book Launch “Sustainable Development in the Developing World”

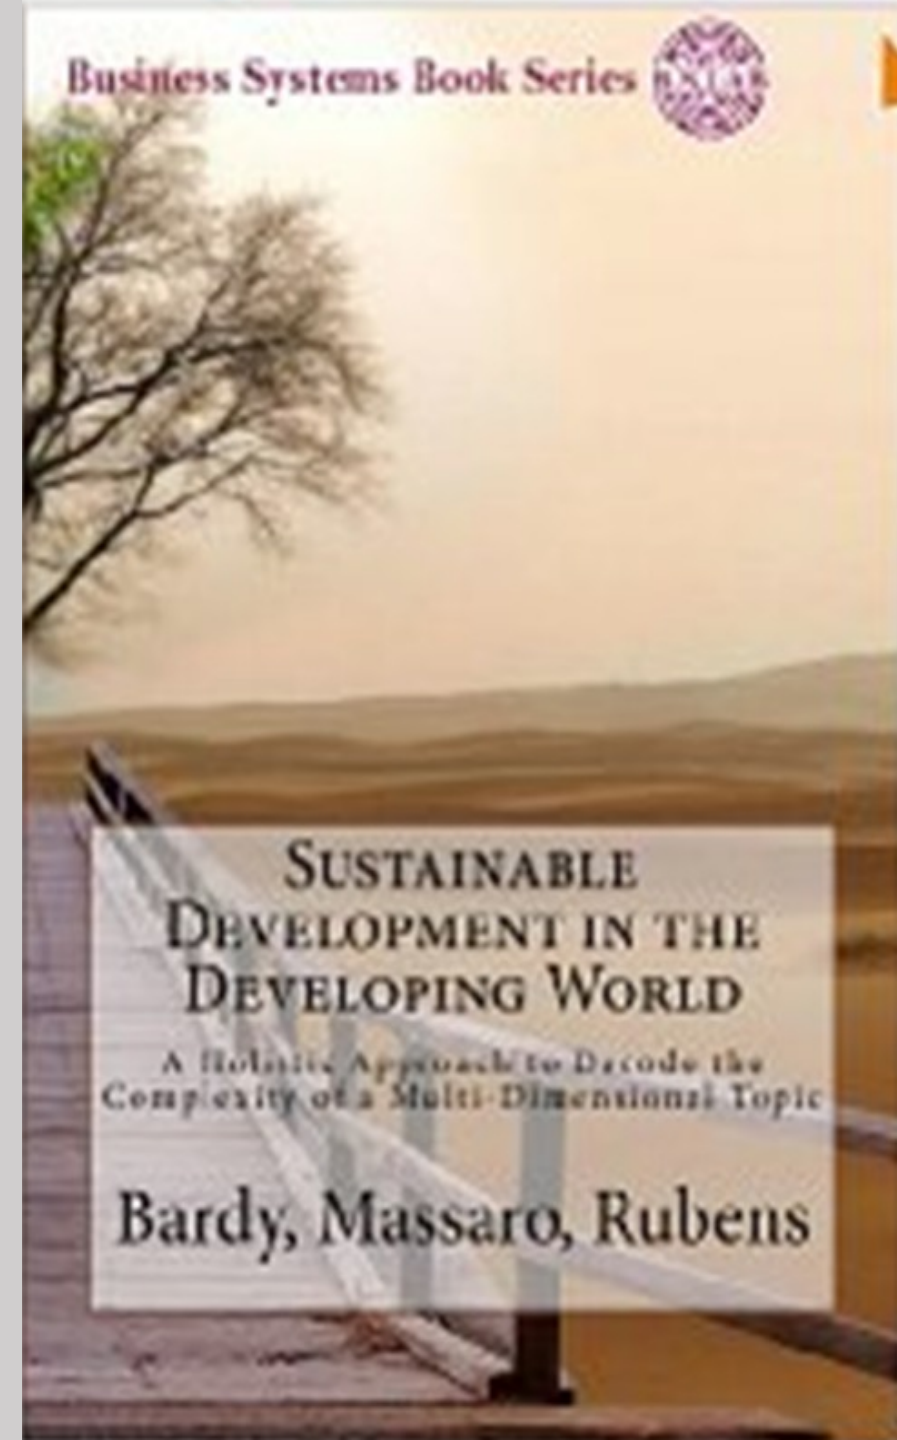

Roland Bardy, Maurizio Massaro, Arthur Rubens

Date: Tuesday, 28th January, 2014

Time: 15.30-17.00 (Reception afterwards)

Place: Palais des Nations, Room XXIII

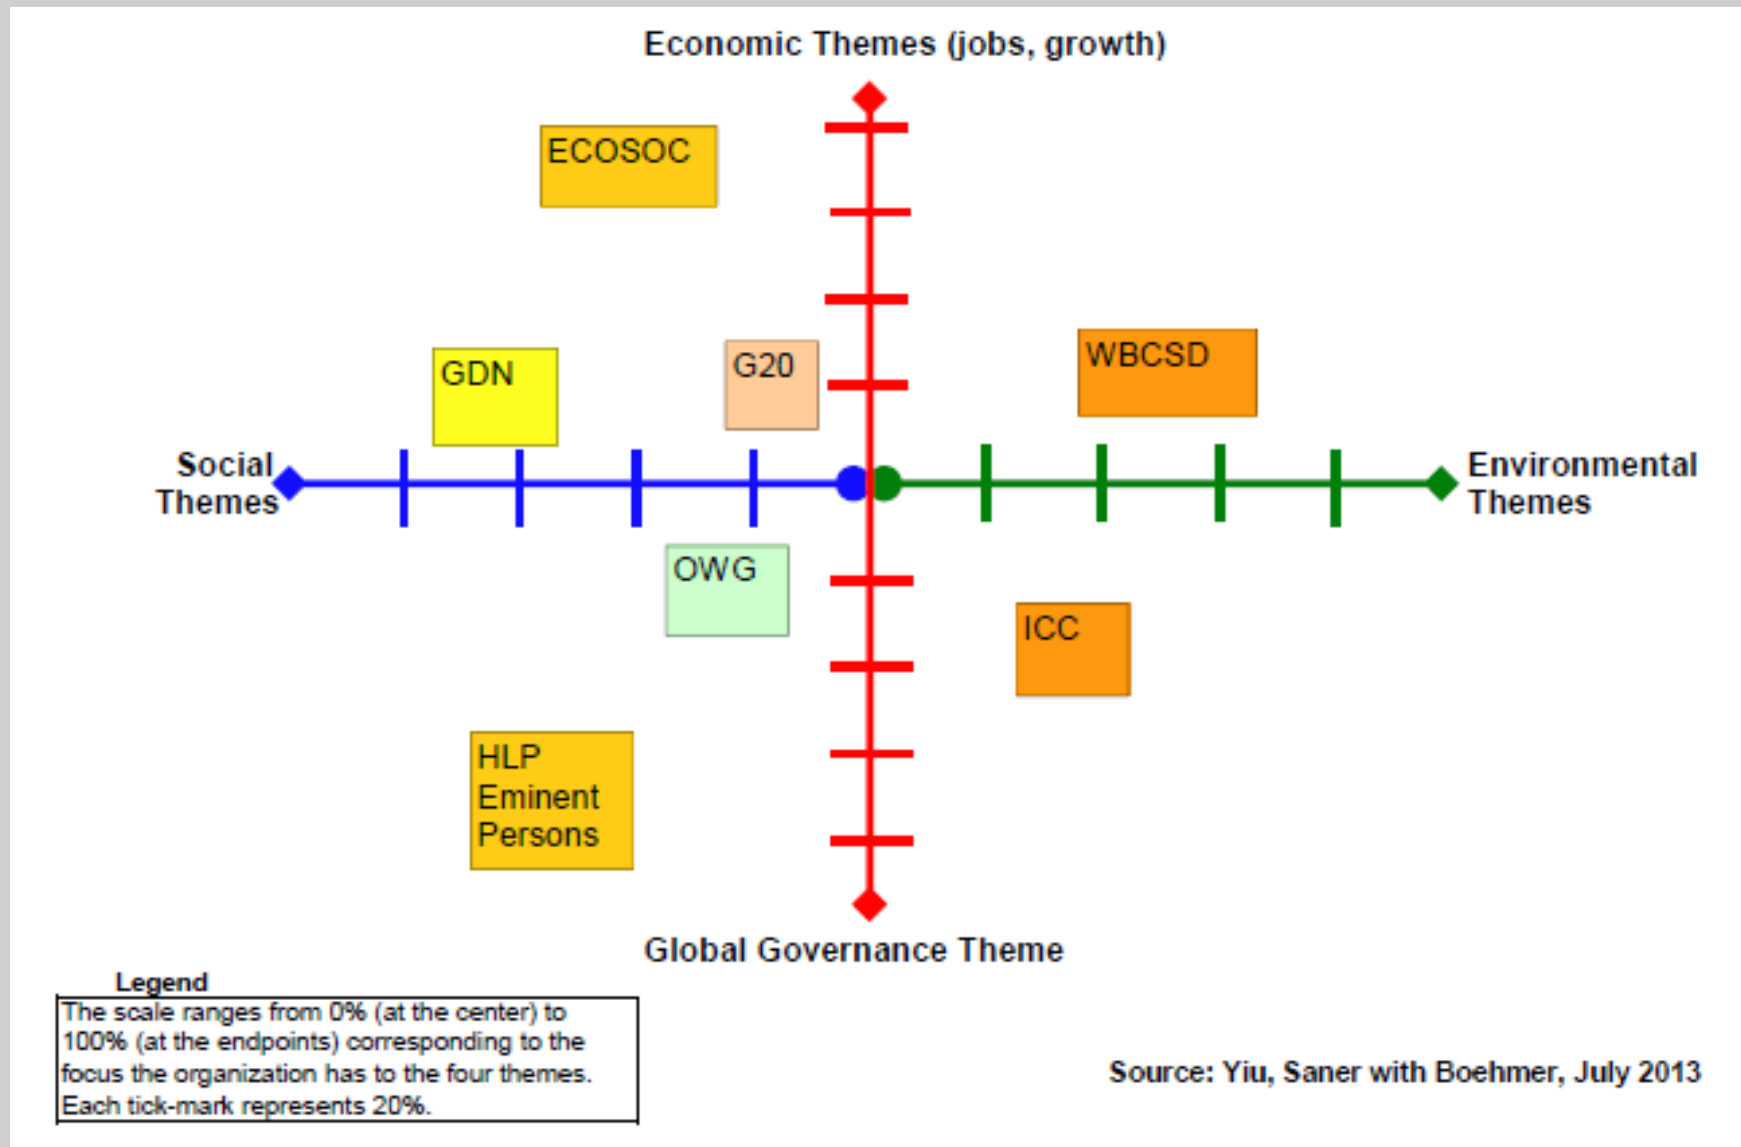

This Seminar has been co-organised by the UNCTAD

Post MDGs

- Great achievement already to date
- More to be done
- Convergence between MDG and Rio+20
- «Sustainable Development», all things to all people

Cross Sector View of the Demands of Stakeholders

**Sustainable Development
and the Post 2015
Implications:
A Closer look at the MDG
and SDG Processes**

Lichia Saner Yiu &
Raymond Saner
with
D. Andrew Boehmer

CSEND Policy Brief Nr 13
July 2013

**Results based approach
depends on right measures
to obtain the needed tipping
effect**

**One Size fits all won't work for
the developing countries and
least developed countries**

**Alternative measures to be
taking into account???**
